Vael's Educational Trust was established in 1992. The trust was founded by Dr.Ishari K.Ganesh, M.Com., B.L., Ph.D., MBA, a visionary and an eminent educationist in fond memory of Shri.Isari Velan, the Former Minister in the popular Govt. of Dr.MGR. Taking education to the humble thresholds of first generation learners and weaker sections of the society has ever been the motive of Vael's Trust. The vision of Vael's is to inculcate self reliance and discipline in the youth and also to improve the quality of higher education. The application of computers in the modern world is unlimited. Computers are extensively used in research and development besides their routine use in commerce. As the use of computers is manifold, the demand for trained professionals is also increasing. Openings for computer trained graduates are too many and fast expanding. In order to meet the above the department is working striving.
